

Rowing Umpires Wanted!

The Saskatchewan Rowing Association needs your help! In order for us to continue hosting competitive regattas, we need adults who have an interest in umpiring.

Umpiring is a great way to learn more about the sport of rowing. You will get the opportunity to see the regatta from a much different perspective than any other participant.

You will start Umpiring in Saskatchewan, but should you wish, this could just be the beginning or a rewarding position. The Saskatchewan Rowing Association and Rowing Canada (RCA) are committed to the development of umpires to pursue opportunities at the national and potentially international level, through continued financial support.

The Saskatchewan Rowing Association will be putting on an introductory umpire clinic on **Saturday, April 10th in Saskatoon at 510 Cynthia Street.** There is no cost to attend this clinic and transportation costs will be reimbursed if you are traveling from outside of Saskatoon. If you are interested in this opportunity, please contact Lynn at saskrowing@sasktel.net or by calling (306) 975-0842.
