Yardley Experiences CanAmMex

My experience at the 2004 CanAmMex is difficult to describe without reliving the excitement and sense of pride I felt, representing Canada at such a prestigious event. Convinced I would not be selected when I submitted my application, only made my invitation from Will Dodds to join them even more exhilarating. Arriving in Ottawa and meeting the talented coaching staff and incredible team mates was to say the least beyond my wildest dreams as a junior rower. I was grateful for the instruction and support

from my coaches and crew mates in Saskatchewan, as I ventured onto the

water at CanAmMex. The competitors from the United States and Mexico had come to CanAmMex to dethrone the amazing Canadian team and all the crews that have ruled the water in the past. The competition was intense as teams strived for excellence in every event. The Canadian team shone as we proved once again that we are a dedicated group of athletes, committed to sportsmanship, comradary and respect for our sport of rowing. coxing technique and without a doubt will enhance my performance in the future.

Friendships were made and addresses were exchanged with the promise that we would all meet again. There is no doubt in my mind that we will see one or more of these talented rowers on their country's Olympic teams, as they strive to achieve their goal.

I would like to thank the Saskatchewan Rowing Association for their commitment to the rowers of Saskatchewan. Without their support and the contribution of Aviron Canada, rowers would be unable to attend incredible events such as CanAmMex.

Bingo Business

Currently, there are no additional bingos booked for the club in the new year. Sign up notices will appear in the Training Centre as soon as we are notified by Lucky Horseshoe Bingo. Our new bingo hall allows club volunteers to go home early on occasion. In consideration of those members who are the first to step forward for a bingo, the first three people to sign up for a particular bingo will have the privilege of going home first.

Happy New Year Everyone.
