NEW CANDIDATE BIO - Nicole Ede - Saskatoon

I have worked for the Federal Government in the department of finance since October 2012. During my career, I have gained experience in auditing and verifying financial information, as well as reconciling budgets and financial accounts. With my current position with the Government of Canada, I am required to audit and approve pay related transactions for all Correctional Services Canada employees across Saskatchewan and Alberta, while following financial acts and best accounting practices. I recently completed my Bachelors Degree in Finance in 2022 and have worked as the Treasurer and President for the Prince Albert Drifters Rowing Club (PADRC) for four years from 2018-2021. I have been an active rower with the PADRC from 2010-2021. Since then, I have moved to Saskatoon and joined the competitive masters program with the Saskatoon Rowing club in 2021.

NEW CANDIDATE BIO - Stan Reed – Yorkton

Stan is from Yorkton and is working on developing a rowing club in the Yorkton area. Stan started rowing as a student at Purdue University and sculled for several years while living in Dallas, TX. He enjoys being on the water, whether backcountry canoeing, sailing or rowing. Recently, his enthusiasm for rowing has been rekindled with his oldest daughter's involvement in the sport. Stan has lived in Yorkton for the past 14 years and is a superintendent at Mosaic Potash.
