1 Year	Tanja Tabel, Prince Albert
1 Year	Chad Jedlic, Regina
1 Year	Bruce Acton, Saskatoon

We would like to express our gratitude to outgoing Directors Willy Bingham and Trudy Einarsson.

Below are bio's on the two new candidates.

Amanda Billesberger - Saskatoon

My rowing journey started with indoor rowing at Not A Gym SK back in September of 2019, and in January of 2020 I successfully completed and received my certification as a Concept2 Indoor Rowing instructor through UCanRow2. I've been training Not A Gym SK members since we reopened the gym after the initial Covid lockdown in 2020.

I joined the Saskatoon Rowing Club as a Master/Competitive member in the late summer of 2021 (and competed in my first Regatta in Saskatoon at the Head of the Saskatchewan). During the past winter season, I've been training indoors with the SRC and have competed at the Canadian Indoor Rowing Championships, as well as the Saskatchewan Indoor Rowing Championships!

This past winter, I successfully completed the RCAs training requirements for their Learn to Row Coaching course, and look forward to working with the SRC in this capacity in the upcoming summer season!

Attached Bio

Trevor Gilby – Lloydminster

I was born and raised in Lloydminster Alberta where I participated in a wide variety of minor sports growing up. After high school I attended the University of Saskatchewan and received a degree in Mechanical Engineering. I moved to British Columbia where I worked in the mining industry for 5 years first in Tumbler Ridge then in Fernie BC, returning to Lloydminster in 2002 to work in the Oilfield sector.

Jody and I were married in 1998 and started our family in 2001. We have three wonderful children with our youngest, Liam, being involved in the Lloydminster Rowing Club.

Over the past 20 years I have coached and managed minor Base Ball, Fast Ball and many Hockey teams. I currently serve on the Grace United Church Central Board in Lloydminster.

I enjoy spending time outdoors and stay active playing hockey, downhill skiing, water skiing, golfing and going to the gym. As a family, we enjoy spending time together, at the lake and in the mountains.
